THE OFFICIAL HOMETOWN
OF SANTA CLAUS®

A man wearing a red beanie, a red and black plaid shirt, purple pants, and a backpack is holding a young child. They are standing on a wooden boardwalk path that runs along a grassy bank next to a body of water. The scene is set at dusk, with a soft, golden light from the setting sun. In the background, there are trees and some distant lights from a town. The overall mood is peaceful and scenic.
